

#BMKyourproto

There comes a time  
when we make  
a difference!

## BMKYOURPROTO - PORTAL OUR INTERACTIVE ONLINE PORTAL

for efficient processing of your prototype project with reduced lead times

### SHARED ONLINE PORTAL FOR

OEM Development

OEM Purchasing

Online data portal

EMS Customer Service

EMS Production

- Direct input of data, KI support for BOM and PCB preparation
- Immediate feedback on PCB and BOM
- Standardized data transfer
- Access to component availability and delivery times
- Instant quoting

## EXPERIENCE THE DIFFERENCE THROUGH DIGITAL COMMUNICATION

- Direct feedback on data errors
- Immediate implementation of engineering changes
- Suggestions for preferred and alternative parts
- More transparency through a joint data set
- Increased data security

## ...AND REDUCE

- Time-consuming correction and feedback loops
- Extensive overhead costs for data preparation

## VISIT THE BMKYOURPROTO-PORTAL

Ensuring your prototype projects at BMK within  
the shortest time possible.
