Augsburg, July 30th 2025 – The electronics service provider BMK is once again one of BAYERN'S BEST 50, marking the third time that its sustainable corporate development has been honored with the award.

The SME award is presented annually to owner-managed companies from Bavaria that stand out for their economic performance. BMK impressed the jury with its stable business development despite ongoing global crises and its clear strategic direction.

On July 29th, the coveted trophy was handed over by the Bavarian Minister of Economic Affairs, Regional Development and Energy and Deputy Minister President Hubert Aiwanger at Schloss Schleißheim. Dr. Bärbel Götz, Managing Director of BMK, accepted the award together with Gisela Cohrs, CFO of BMK, in a festive setting. “The award not only confirms our crisis resistance, but above all acknowledges the outstanding commitment of all our employees despite the challenges

of the recent years,” explains Dr. Götz. “We are delighted to receive this recognition and see it as an incentive to remain true to our strategic course.”

BMK company profile:

BMK, headquartered in Augsburg, is a leading provider of electronic engineering and electronic manufacturing services (EMS). BMK's service portfolio covers the entire life cycle of electronic assemblies and complete devices. In addition to development, production, and end-of-life management, BMK offers individual fulfilment / logistics services and supply chain management. The company employs 1,544 people at seven locations in Germany, the Czech Republic, Israel and China.
